

Showcase your creativity while supporting children and families served by River Bridge Regional Center!

We're inviting local businesses, artists, organizations, schools, clubs, and community members to decorate a pumpkin that will be displayed during **The Great Pumpkin Paint Night**. Event guests will admire the creations, vote for their favorites, and/or bid on select pumpkins, with proceeds benefiting River Bridge Regional Center.

Everyone is welcome to participate!

Pumpkin Guidelines

- Decorate one **real or artificial pumpkin** (approximately 8–12 inches).
- Use **paint, fabric, natural materials, embellishments, or mixed media**.
- **No carving or etching**, as the pumpkins deteriorate quickly.
- Pumpkins should be family-friendly and appropriate for all ages.
- Please ensure decorations are securely attached for display.

Event Details
